

Discover **if you qualify for free childcare**

New eligibility criteria from April 2014

The Free Entitlement (FE) for 2 year olds scheme is funded by the Government to offer free, quality, flexible early education and care for eligible 2 year olds in West Sussex. The current scheme has expanded to allow **40%** of all two year old children across West Sussex to take up free early education and care.

What does the funding pay for?

The funding pays for 570 hours per year of flexible early education and care. This is for a maximum of 15 hours per week over a minimum of 38 weeks per year.

Your child will be able to go to a pre-school, nursery or FE Childminder who are authorised to offer free places.

What are the benefits?

Research shows that attending good quality early education and care can make a difference for young children. It can improve a child's learning and development, help equip children with the skills needed for when they go to school, and support them to do well in the longer term.

Am I eligible?
