## Learning Journal Week

Thank you to all those that attended our Learning Journal Week. If anyone didn't manage to fit in an appointment and would like one, please speak to your child's keyperson to arrange one.

### Christmas Activities

Children have been busy making Christmas cards and decorations. Their work reflects the creativity and skills that they develop in early years. We encourage children to direct their own work allowing them to explore a range of materials. The children have had fun in experimenting and making their work their own.

### Christmas Performance

We shall be holding our Christmas Performance on Monday 16<sup>th</sup> December at 14.30. All children are welcome however please bear in mind the performance is more catered for our older children who are more inclined to sit and partake. Children who would like to take part and do not usually attend at this time will need to be dropped off at 14.15. The performance will be no longer than 15 minutes and refreshment will follow for spectators. If you would like to come and watch the children, we are selling tickets for £2.

### Christmas Party

The children's Christmas party will be on the last day of term, Tuesday 17<sup>th</sup> December. Mr Pumpkin will be entertaining the children and party snacks will also be available. The session will be a normal morning session priced at £15, finishing at 11.50. **NB There will be no lunch or afternoon session on this day.** If you would like your child to attend the party and doesn't normally attend on this morning, please complete an extra session request form from the lobby or online via our website under the Parents Tab / Forms.

## Multifunction Classroom

The building work for our new space is well underway. We are all so pleased at how great it is already looking and know its going to make a real difference to the setting.
